Calling all Runners!

Think you have left it too late to run in the **Plymouth Half Marathon** on May 30th 2010? Well there is still time!!

Although the public places have **sold out** Parkinson's UK has a handful of places left!

We want to raise awareness of this devastating disease. To join us just pay the standard entry fee of £32.50 before 22nd April 2010 and we will reduce the minimum sponsorship required to just £25 - so you can concentrate on your training!

We would love to have you on our team – so why not set yourself a new goal and have us cheering for you on the day!

If you would like to take up the challenge please call Jean now on **0844 225 3732** or email jalmond@parkinsons.org.uk to secure your place – don't delay only a few places left!

We're the Parkinson's support and research charity. Help us find a cure and improve life for everyone affected by Parkinson's.
